

## **YEAR 11 IMPORTANT EXAM DATES**

Dear Parents/Carers,

I would like to thank you for supporting your child as they work towards their GCSE examinations in the summer and for supporting them through their recent mock exams. We were extremely impressed with the conduct of year 11 students during the mock exams. Year 11 mock grades will be given to students during assembly on Wednesday 20<sup>th</sup> March.

The mock exam results are important, they are a snapshot of your child's progress, and they help pupils and staff identify strengths and weaknesses in their learning. Parental support can be up to eight times more important in determining a child's academic success than anything else. As a school we are asking you to work with us to ensure that your child reaches their potential

Below are a few important dates for GCSE exams. Please note the **contingency days which are dates set aside by the exam boards in case of a national incident that requires an exam to be rescheduled. Please ensure that your child is free to attend an exam on this date if needed.** It is vital that your child is present in school when they have exams as they will not be able to re-sit this exam and it will have a detrimental effect on their final grade.

Kind regards

**Mrs D Wildig**
