Mission statement

As a small family school, we know and care for every child. We genuinely value and strive to enhance working partnerships with our families and our local community, knowing that in those partnerships lies our greatest strength and best hope of raising the achievement and aspirations of all our children to ensure that we really are "**Educating Tomorrow's Women Today**".

At Hodge Hill Girls School, we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers receiving services from the school, irrespective of race, gender,

disability, faith or religion or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and able to participate fully in school life.

The achievement of pupils is monitored by race, gender and disability and we will use SISRA data to support pupils, raise standards and ensure inclusive teaching. We will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes and creating an environment which champions respect for all. At Hodge Hill Girls School, we believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here. The school uses the following to assess achievement; Raise online, SIMs, Sisra online, ClassCharts, Analysing School Performance.

Policy Planning and Review

Whilst we have a duty to develop and publish equality schemes in relation to all aspects of equality and disability, we at Hodge Hill Girls' School are considering all aspects of diversity and equality in this comprehensive policy.

Policy planning and development

In the planning and development stage of policymaking, we will ensure we have consulted and taken into account stakeholder views. All improvement plans will be designed with an element of impact assessment built in to monitor the success of each activity. There will be a systematic review of the impact of all policies and procedures on equality and diversity to address any areas of inequality. Our target-setting processes ensure appropriate, challenging targets are set in relation to identifiable groups as well as individual students / cohorts.

Monitoring and Quality Assurance

Each student's progress is monitored and tracked. The resulting data is analysed in respect of race, ability or additional needs, looked-after status. In addition to monitoring to rule out any potential disadvantage, quality assurance procedures ensure the school meets its duty to positively promote diversity. (E.g., lesson observations record evidence of differentiation and texts and learning materials are reviewed to ensure appropriateness and inclusivity.) The data collected is used to inform further school planning, target-setting and decision-making.
