YEAR 11 IMPORTANT EXAM DATES

Dear Parent(s)/Carer(s),

I would like to thank you for supporting your child as they work towards their GCSE examinations. Parental support is essential in helping your child achieve their full potential. Pupils have recently been completing their practical exams for GCSE Art, 3D Design and Photography as well as speaking exams for GCSE MFL subjects. As a school, we have been impressed with the conduct and maturity of pupils as they have completed their exams.

Below is the GCSE timetable for the written Summer Examinations. Please note that the GCSE contingency day for summer 2026 is Wednesday 24th June 2026. This is a day reserved nationally in case any exam is widely disrupted by unforeseen events, e.g. widespread flooding. Pupils should not go on holiday before 24th June, in case an exam is widely disrupted and must be rescheduled for that date.

It is vital that your child is present in school for all their exams as they will not be able to re-sit any exams they miss, therefore any absence will have a negative effect on their final grade.

Yours sincerely

Mrs D Wildig
