

# Homework Online

It is now possible to view your daughter's homework Online. This can be done anywhere using the ClassCharts Homework link available in the 'Parents' area of our the school website.

When you open ClassCharts Homework you will see all the homework set within school. You can reduce the information shown using the following options:

1. A specific class using the class code e.g. 9x/En1
2. A specific year e.g. 7
3. A specific subject e.g. Science
4. A specific teacher

Type the chosen option and then press 'Enter' or 'Go' dependant on the device you are using.
